### Paycare Counselling & Helpline

We understand that from time to time your employees need a little extra support and somewhere to turn to; we're here for them.

Our confidential Telephone Counselling Service offers professional support for depression, stress, anxiety, relationship problems and bereavement, as well as valuable tax, debt and legal support 24 hours a day. And what's more, if required, we will also cover the cost of up to 6 face-to-face counselling sessions, to help get them back on track.

## GP 24/7

**With GP waiting times reaching a staggering 14 days, it can be harder than ever for your employees to access local GP services. Until now...**

Whether your employees want to speak to a doctor during their lunch break or need medical support in the middle of the night, the Paycare MyPocketGP app makes it easy to book appointments, attend a consultation via telephone or video link, get private prescription medication delivered to your door and much more, reducing the need for lengthy time out of work arranging and attending appointments.
