1. Eligibility/Application/ Commencement of Cover

1.1 If you are applying for a Policy for the first time, you must be 16 years of age or over on the date that we receive your completed Application Form. You must also reside permanently in the United Kingdom.

1.2 We do not have to accept your application.

1.3 All the information that you provide to us in relation to your application must be accurate, true and complete to the best of your knowledge and belief.

1.4 We will only consider applications that are submitted on the correct Application Form that has been produced or approved by us.

1.5 Cover under your policy will commence on the first day of the first pay period for which the employer/ organisation that sponsors your Group makes a contribution/deducts premium from your wage/salary. We will confirm the date of commencement to you in writing.

2. Premium Payments

2.1 The level of Premium paid by your employer/ organisation/you determines the Benefits available to you. The Benefits applicable to each Premium level are shown in the Benefit Table, which is a separate document which you should read in conjunction with this document.

2.2 As you are a member of a Group, your Premium payments are paid to us by the employer/organisation that sponsors your particular Group. Part of the premium may be deducted from your wage/salary and then paid over to us.

2.3 Each Premium payment relates to cover for the relevant pay period, which is normally either one week or one month. If we have not received payment of the Premium by the due date that has been agreed with the sponsoring employer/organisation, we reserve the right to delay payment of any claims that we receive from you until the Premium has been paid to us.

2.4 Any change to the rate of Premium applicable to your Policy will take effect from the first payment date following the end of the notice period (see 8.1).

2.5 If your Premium payments are more than three months in arrears, we will automatically cancel your Policy and you will not be entitled to claim any Benefits.

2.6 If you increase your Premium level, any claims paid in the Benefit Year under your previous Premium level or any previous Paycare policy will count towards

the maximum entitlement available under the new Premium level/policy. Increases/decreases in Premium levels are permitted at the discretion of Paycare.

2.7 Other than in exceptional circumstances, we will not make any refund of Premium payments.

3. Claims

3.1 You or your Dependent Child (if applicable) must have received treatment and paid any amounts due to the provider before you can make a claim.

3.2 You must use the Claim Form that we provide for making claims for Benefit. If you do not have a Claim Form, please telephone our Customer Service Department. You may also be able to download a Claim Form from our web site.

3.3 If your claim is for reimbursement of costs paid by you, you must send the original receipt and/or bill. This must identify you or your Dependent Child (if applicable) as the patient and show: the name, address and qualifications of the person providing the treatment/ service; the date and description of the treatment/ service provided; the amount and date paid.

3.4 You should send us the Claim Form and any appropriate paperwork (including receipts) as soon as possible. We will not accept any claim that is received by us more than thirteen weeks after the Claim Date. Claims will be allocated to a Benefit Year by Claim Date.

3.5 You must provide us with any information or evidence to support your claim if we make a reasonable request for you to do so. This may include a request for your authorisation to obtain a medical report or other information from the doctor or practitioner who is treating you or your Dependent Child (if applicable). If you do not agree to this, we may not be able to pay your claim.

3.6 We do not accept photocopies of invoices or receipts, credit card slips or non-itemised till roll receipts.

3.7 We do not return any original invoices or receipts.

3.8 We do not accept receipts or invoices that have been defaced or altered in any way. Any alteration will be investigated and may be treated as a fraudulent claim.

3.9 We will not reimburse any amounts that you or your Dependent Child (if applicable) may be charged by a hospital, doctor or other person for completing your Claim Form and/or for medical information requested by you in support of your claim. Any such charges will be your responsibility.

3.10 There is a Waiting Period of thirteen weeks from the date of commencement of cover, during which time you will not be eligible to claim any Benefits. The only exceptions to this are if you took out your Policy in response to a special promotional offer of a reduced Waiting Period or if the employer/organisation that sponsors your Group has negotiated a permanent reduction. The thirteen-week Waiting Period applies if you increase your Premium level. During this Waiting Period, you will be eligible for the Benefits applicable to your previous Premium level.

3.11 If you decrease your Premium level, there is no Waiting Period, and the Benefits applicable to the lower level will apply from the date of transfer. Any claims paid in the Benefit Year under your previous Premium level or any previous Paycare policy will count towards the maximum entitlement available under the new Premium level/policy.

Increases/decreases in Premium levels are permitted at the discretion of Paycare.

3.12 We will not pay claims resulting from war, terrorism, flying (other than as a passenger), attempted suicide, self-inflicted injuries, drug or alcohol abuse, cosmetic surgery and fertility problems.

3.13 Your Policy does not cover treatment/service outside of the United Kingdom.

3.14 We will reduce the amount of any claim that you make for costs that you or your Dependent Child (if applicable) have recovered or can recover from another insurer or a third party.

3.15 We reserve the right to recover any over payments of Benefit from the Benefit payable to you and/or directly from you. This includes the right to recover any payment of Benefit that we subsequently find that you were not eligible to claim.
